

Balcrank

The Products you want from a Company you Trust

When your shop requires years of trouble-free service,
Premium™ Series hose reels mean no troubles overhead!

Balcrank Premium™ hose reels have a heavy duty design, dependable performance, and a full range of model choices. Balcrank has been manufacturing high quality lubrication equipment that professional mechanics have been using for over 100 years.

- **Versatile installation** - Ceiling, wall, tank, cabinet or mobile lube mounting.
- **Heavy duty design** - Excess spring torque assures reliable hose return. Built in overrun clutch is designed to prevent power spring failure.
- **Built to last** - Thick wall fluid swivel and hub; heavy gauge stamped rims, arms, and base.
- **Highest quality hose** - Produced by the leading US manufacturer, hoses carry a 1 year warranty.
- **High quality powder coat finish** - Eight standard colors available. Custom colors available.
- **Full range of model choices** - Open and enclosed reels for air/water, lube, and grease.

Fluid Dispensing Systems

for the Industrial, Commercial & Automotive Industry

Premium™ Series Hose Reels

Balcrank only uses the highest quality hose from the leading US hose manufacturer. Remember the hose takes all the abuse. Don't trust your valuable lube supply to anything less. Heavy duty hoses will help avoid unnecessary down time and clean up expense.

Heavy gauge stamped rims, and outlet arm.

Highest quality hose - 3000 PSI standard for oil reels.

Ready to install 2' inlet hose included.

Powder coated for a lifetime finish.

Dual outlet arm for strength.

Spool supported on both sides by a unitized heavy duty frame and long-life journal bearings.

Sixteen position locking heavy duty cast latch mechanism with secure easy-touch pull release

Sliding roller outlet prevents hose stackup.

Wide six-roller outlet prevents hose pinch.

Ball stops included with hose.

Enclosed Reels

Balcrank enclosed cabinet hose reels improve the appearance of any shop. Eight standard colors and custom colors are available to match work benches and/or automotive lifts for the ultimate in shop appearance. Add automaker's logos to totally brand the shop from ceiling to floor.
